

Disability Drop-in with NDIS Outreach

The National Disability Insurance Scheme (NDIS) helps people with disability in every day life.

If you are living with a disability, or care for someone living with disability, you can come to Disability Drop-in to get answers for questions like:

- Who can get help from NDIS?
- What supports are there for people living with disability?
- How can families find out more?

**Mondays between 1:00pm and 4:00pm at MRC Tas,
Level 2, 1A Anfield Street Glenorchy**

No appointment needed.
