Referral to Phoenix Centre - Amplify Ability

Amplify Ability is a 3 month program for anyone from a migrant or refugee background looking to make new connections, set and achieve goals and improve their emotional health and wellbeing.

The program runs in three stages: initial goal setting and peer codesign of program; a series of 10 workshops addressing client needs, values and goals as articulated in the co-design and intake process; follow up transition support. Included in the program will be consumer voice training, computer literacy skills, self-management, self-care strategies and volunteer engagement skills. Numbers are limited to 15 participants.
