## Care Management

*Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.*

Approach to care management		MRC Tasmania Home Care Package Program is able to provide Care Management to support you to live comfortably and independently in your own home. You can determine the level of Care Management you would like. Examples may include: reviewing your Home Care Agreement and Care Plan, providing a point of contact for you or your support network, identifying and addressing risks to your safety, assistance coordinating your home care services as stated in your Care Plan and scheduling services such as your Doctor and Allied Health providers, interpreters and Bilingual Support Workers.
